Subject: ^{DATE}year-end file

Hi ^{PERSON}Dana,

Closing out ^{DATE}the last of the year-end files before the deadline on ^{DATE}Friday.

The one still outstanding is ^{firstname MISSED}Farees ^{lastname MISSED}Siddiqui. The mailing address we have on record is ^{STREET}14 Fake ^{STREET}Street in ^{GPE}Milton — I have not been able to confirm whether that is still current, so it may be worth a phone call before anything goes out by post.

They finished the term with a grade of ^{CARDINAL}90, and the evaluation entered against that grade is Satisfactory. Nothing else on the file needs your sign-off.

Thanks,

Renée
