Subject: year-end file

Hi Dana,

Closing out the last of the year-end files before the deadline on Friday.

The one still outstanding is Farees Siddiqui. The mailing address we have on record is 14 Fake Street, in Milton — I have not been able to confirm whether that is still current, so it may be worth a phone call before anything goes out by post.

They finished the term with a grade of 90, and the evaluation entered against that grade is Satisfactory. Nothing else on the file needs your sign-off.

Thanks,

Renée
